

## SINGLE EQUALITY POLICY

**Amended/Reviewed by: Governing Body School Development Sub-Committee**

**Date adopted by Governing Body: 2nd December 2021**

**Next review date: December 2022**

### **Introduction**

The expectations of Governors and staff at the Vale School are that equal opportunities are embedded into our organisational practice to create the basic foundations of our educational work. We are continually working to ensure that all our policies and practices reflect and incorporate equalities objectives in creating a positive working ethos/environment for our staff and pupils. We are committed to challenging all types of discrimination and responding to any member of the school community who may become a victim of such action.

We will ensure that every student irrespective of race, disability, gender, religion or sexual orientation is able to achieve as much as they possibly can and that strategies are in place to raise awareness of disability, tackle discrimination and under achievement. The school aims to make sure that every pupil has access to the necessary support required to enable them to achieve the highest standards possible.

The Vale serves a community which is very diverse, with staff and families from many different social, economic, ethnic, cultural and religious backgrounds. As well as coming from these diverse backgrounds, our students have a range of needs including physical disabilities, medical needs, learning needs, social emotional needs which adds an additional dimension to all the families' needs and requirements of the staff. At the Vale, we are proud to respect and value this diversity and make every effort to ensure that each of our children is given the fullest opportunity to reach her or his own potential.

We reach out to all our families and welcome and encourage them to become part of the school community. We work hard to build a caring, stimulating and enabling environment for our children, constantly monitoring their individual performance, their achievements and their progress, giving praise and support, ensuring access through pupil voice and other means, support and advice as it is needed.
