young people

Stay In Work Out

We are all now spending a lot more time at home than we might like, which is why staying as physically active as possible is more important than ever. In the booklet you will find fun and interactive activities you can take part in over the May half term, delivered by local Haringey organisations.

For tips, advice, and guidance on how to keep or get active in and around your home, join the Sport England movement and use #StayInWorkOut to share how you're getting active during this time

www.sportengland.org/stayinworkout

Project 2020

Online music production. Are you Interested in creating beats, lyrics, recording and mixing your own tracks and more? Then this is definitely for you. We are offering one tutorial a week with a music tutor, and anytime access to an online music studio. There is also an option to receive feedback from the music industry. It is a great first step into music production.

Spaces are limited, so sign up quickly to avoid disappointment. The sessions are for students aged 14+

Cost: Free

Jacksons Lane

Our JL Circus facilitators, professional circus artists Kaveh Rahnama, Dan Rose and Miles Fraser, have become YouTubers to carry on teaching circus skills during lockdown. All three use regular household objects in place of proper equipment so that everybody can brush up on their circus skills whilst at home.

So far Dan has taught juggling using rolled up socks as juggling balls, as well as a newspaper, a plastic bag, a mug and a teabag. Kaveh used cupboard essentials to lead fun balancing activities, and Miles brought in magic using hats, later moving on to break down impressive acro-balance poses in simple steps. We also set challenges at the end of each session so young people keep busy throughout the week.

Cost: Free

When: Our sessions go LIVE on YouTube at 4pm every other week on Monday, Wednesday and Thursday.
